The Freethought Society of Greater Philadelphia (FSGP) is a non-profit educational organization. We serve as a local forum in which freethinkers can meet, socialize and exchange ideas. As freethinkers, our minds are not restrained by superstitions or prescribed dogmas that tell us what we may or may not think; reason and the free exchange of ideas are the primary forces of progress in society.

*FSGP is affiliated with the Freedom From Religion Foundation, and is a member of the Atheist Alliance International. FSGP members are committed to the advancement of freethought and issues of state/church separation. Members of FSGP automatically receive a newsletter (published bi-monthly) and announcement/reminder postcards (or e-mails) for all meetings and other special events.*
